Black Gold Cooperative Library System Statement of Revenues and Expenditures For the Ten Months Ended April 30, 2024 Fiscal Year Elapsed: 83%

From time to time, Black Gold staff orders supplies and equipment directly for individual libraries and is then reimbursed from the libraries for the cost of those purchases. Those purchases are not budgeted. The expenditures and invoices to the libraries for reimbursement are netted together in the accounts noted here (beginning with "63_"). The balances shown are a result of timing differences between recognition of cost and recognition of reimbursement.
