PURPOSE

To serve as a written statement of agreements on circulation and interlibrary loan policies and guidelines of the members of the Black Gold Cooperative Library System. The manual also functions as a compendium of local library circulation and interlibrary loan policies. It is a goal to have and follow uniform policy whenever possible for patron convenience.

INTRODUCTION

Black Gold Cooperative Library System circulation and interlibrary loan policies and procedures serve as reference for staff members in the Black Gold Cooperative Library System. The manual includes information on patron registration standards, lending materials, renewals, loan periods and notifications, fees and fines, check-in procedures, etc. for each of the member libraries.

An automated circulation system is utilized by Black Gold member libraries to facilitate loaning of materials between jurisdictions. The seven members share the Polaris automated circulation system and are also known as the Automation and Technical Services (ATS) libraries. ATS libraries can lend and borrow from each other using the “holds” feature provided by the automated circulation system.

Holds are placed into the computer at any point in the system, and any point in the system can be designated as the pick-up point. Held books are trapped automatically by the computer and routed to the selected pick-up point.

In addition, Black Gold permits holds to be placed through the Web OPAC. The URL for the shared OPAC is www.blackgold.org. The Black Gold office in Grover Beach supports the automated system for its users.

NOTIFICATIONS

(See Appendix for more information and notice text).

To ensure items move to 'Lost' on a patron record, patrons **MUST** have a notification option (other than print) to receive overdue and fine notices. Please see 'patron entry standards' for more information.

Patrons have several options for notifications.

AUTOMATED TELEPHONE SYSTEM

1. Notifies patrons of available holds and overdues.

EMAIL

2. If there is an email address, and an option to receive email is selected in the patron record, the patron will receive holds and overdue notification via email.

TEXT MESSAGE

3. Patrons may also select to receive text messages as a notice delivery option, or in addition to email and telephone notices.

OVERDUE NOTIFICATION

As of January 3, 2011, overdue notices are available by telephone or email/text message only.

OVERDUE NOTIFICATION (non-Black Gold libraries)

Overdue notices to non-Black Gold libraries will be sent by the lending library to the patron in conformance with its internal policy, usually within 5 days after the due date.

PAPER NOTIFICATION

Bills for lost items and fine notices are always in paper format.

RENEWALS

AUTO RENEW

If items can be renewed (renewals available and no holds) they will automatically be renewed by Polaris with an email notification going to the patron. Auto-renewals are done at the same time the reminder notices are sent out.

Renewals of checked out items may be done by:

TELEPHONE

1. Telephone (iTiva) — the toll-free number is (800) 354-9660. Patrons can also reach the system by dialing (805) 546-0499. iTiva follows the standard renewal rules set up on the Polaris system.

ONLINE

2. Access is provided at www.blackgold.org. Overdue items may be renewed online following standard renewal rules.

PATRON INFORMATION

INPUT STANDARDS PATRON REGISTRATION

1. When a patron applies for a library card, check for a pre-existing patron account using the following methods in this order:
 - a. Search by name using the patron's last name, comma and first three letters of the first name (using * as a wildcard can help yield results). Confirm results using date of birth.
 - b. Search using driver's license number. Note: If a patron used a passport or other ID to obtain a library card their record will not be found. Confirm results using date of birth.
 - c. Search using patron's date of birth.

BARCODE

New patrons – scan account number from library card.

Existing patrons – If a pre-existing account for a patron is located do not assign a new barcode. See “Replacement Library Cards”.

REPLACEMENT LIBRARY CARDS

No agency charges replacement fees for normal wear and tear or for name changes. Some agencies may charge for a replacement card if the patron has lost or misplaced a card. An ID is required to replace a library card.

If a patron is currently registered at your library and wishes to have the card replaced, assign a new barcode. Barcode prefix and registered library should match.

If a patron is not currently registered at your library and wishes to have the card replaced, confirm the patron wants to change their registered library.

1. If the patron wishes to change libraries – assign a new barcode and change the registered library. The barcode prefix and library should match. Online digital accounts may also need to be updated.
2. If the patron does not wish to change libraries – follow best practices at your location to allow checkout and have the patron follow up at their registered library to obtain a new card.

The patron’s previous barcode should be noted in the Former Barcode field. This allows staff to verify the previous barcode when troubleshooting e material issues (Overdrive, Hoopla, etc.).

SCANNER – PATRON ENTRY

As of Polaris 4.1R2 a patron can be registered by scanning a driver’s license. All information in the patron record is entered with ALL Caps in this instance. You do not need to change the entry to standards as below (re. Capitalization of first letter only). Please confirm the information on the license is correct.

REGISTERED AT

New patrons – automatically set in patron registration wordform using the library location where the card is being created (barcode prefix matches branch).

Existing patrons – If a patron has moved or wishes to change their registered library the registered library should match the barcode prefix so the card may need to be replaced. See “Replacement Library Cards” to allow checkout.

PATRON CODE

Select the appropriate patron type. Not all jurisdictions use the same codes. The following are examples only:

Adult, Teen, Juvenile, Internet Only (also, add "Internet Only" block to account)

ADDRESS

A valid home address is required for all patrons except for "internet only." State law requires that patrons receive written notices before being sent to collections.

It is imperative we have a valid address.

To add a new address, select "Add" button.

Enter zip code; select city.

If entering two or more addresses identify the mailing address or local address as "Primary." If entering only one address, leave "Home" as the address type (the default).

For "internet only" patrons, enter "internet only" in the address field and add the library's zip code.

TELEPHONE/EMAIL, ETC.

Enter as appropriate. Set notification option according to patron's choice.

| RULE | EXAMPLE |
|---|---------------------------|
| Enter the number in the Phone 1 field. If a second number has been provided, enter it in the Phone 2 field. | Telephone #: 805-777-7777 |

PHONE FIELD ENTRY GUIDELINES

“Voice phone 1” is a mandatory field in the current automated system. For patrons who do not have a telephone, or refuse to give a telephone number, as of November 17, 2010, the agreed upon standard for this field on the patron registration screen is “none” or “refused” (no note in the patron record).

Note: As of September 5, 2018, if the system web application (LEAP) is used to register a patron, and the patron refuses to provide a phone number, please leave the phone number field blank and insert a ‘non-blocking note’ in the patron record using standard note format indicating the patron refused to provide a phone number.

If a patron refuses to give either an email address or a telephone number, the staff member should put an agreed upon staff email address in the email field. Failure to do so will result in a patron account with fees/fines over \$40 going to Collections without any prior notice, or not going to Collections at all if the notice cycle cannot begin/complete. Email or telephone notification is required for the notice cycle to begin. Telephone overdue/hold notices that are not completed (answered) will roll to print.

TELEPHONE INPUT STANDARDS FORMAT

The acceptable format for telephone numbers for automated calling is: AAA-PPP-NNNN. “AAA” is area code, “PPP” is prefix, “NNNN” is number.

Some general rules:

- Format applies to all telephone fields in the record.

- Only one telephone number per field (not “PPP-NNNN or PPP-NNNN” in the same line)
- The iTiva system can only call a direct number. If the phone number contains any of the following, it cannot be used:
 - An extension number
 - A work number that needs to go through a switchboard
 - A call blocking service access number such as *82
- Words in the telephone number are acceptable as the iTiva system ignores them. Examples: parents’ home, work, cell.
- **Do no enter any symbols such as # or *.**

- Do not use a contiguous set of numbers such as 1111111 or 999. This could result in the automated system dialing 9-1-1 as it uses dialing formats to reach outside lines.

GENDER

The default is N/A and should not be changed.

STATISTICAL CLASS

Enter the 4-digit resident/non-resident code if patron resides outside of the default region. For example, 1656 is automatically set for the Lompoc Public Library System. This code is used for statistical purposes.

PASSWORD

Passwords will vary by jurisdiction. Will default overnight to last four digits of phone number if nothing is entered.

LANGUAGE

If the patron has chosen to receive account information in Spanish, change the language field to Spanish. This will allow the patron to receive notifications in Spanish as well.

FORMER BARCODE

If the patron is replacing their card rather than creating a new account, copy and paste the former account number into this field.

BIRTHDATE

Check the birth date box and enter the date of birth, which is required. If patron refuses to provide the year of birth, enter the birth year as 01-01-1900.

UNIQUE ID

Enter the number, followed by the type of ID.

LM/ss

STANDARDS FOR PATRON NOTES IN POLARIS

Select the appropriate type of note to deliver the message to patron and/or staff.

- All notes should be brief and include only pertinent facts.
- All free-text notes should include date first, then Branch/staff initials.
- In Patron Status Notes put most recent note at the top, date first, then Branch/staff initials.

If notes field is full, refer to supervisor for review.

PATRON REGISTRATION REQUIREMENTS

A jurisdiction should only change another library's patron codes if the individual has moved to that jurisdiction.

¹ SB and GO will issue a card with government-issued ID with photo and proof of address. If there is no proof of address the patron will be asked to write the address on a preprinted confirmation postcard which will be mailed. The subsequent presentation of this card with its postmark shall constitute proof of address. SB and GO issue cards to institutions with proper institutional ID and with individual associated with institution accepting personal responsibility.

² SM will mail cards to patrons who have no other way to verify their mailing address. Patron is allowed to

check out 2 items before card is mailed.

BEST PRACTICE FOR LIBRARY CLOSURE

- Notification to member libraries – Optimal is at least 3 weeks.
- Holds processing – If library is closed for 3 weeks or fewer, holds processing remains the same.
- Hold Pickup Point – Remove at library's discretion.
- PAC – If library is closed fewer than 3 weeks, items will not be removed from the catalog

LIBRARY CARDS

It is a common practice to issue library cards to individuals only, with the exception of ILL institutions.

Lompoc issues cards to the prison. The prison gets a higher checkout limit, and the hold fee is waived.

In October 2020, the Administrative Council voted that juvenile or teen patrons 'aging up' to adult cards should have existing fines and fees removed from their account.

ONLINE REGISTRATION

Patrons may register online and receive a temporary barcode starting with the library prefix and then an 'E' (example 22063E). Libraries are assigned based on zip code designations through a 3rd party vendor that does an address verification. "E" cardholder registration expiration varies by jurisdiction. These cardholders may place holds and use online services such as Overdrive. Online registrations should be deleted if there is no activity on the account for more than six months.

CARD EXPIRATION

On March 23, 2013, the Administrative Council voted to set Card Expiration to 99 years. Address Check is determined by jurisdiction.

LENDING MATERIALS

CIRCULATING MATERIALS

Black Gold member libraries make their circulating books available to each other's respective patrons. Requests for individual items are on a "prefer my patron" basis and are processed in accordance with the procedures of the lending library.

Renewal of loan items may be possible.

Two exceptions to standard loan practices are Rental Collections (materials which patrons pay to use) and Express Collections (copies of high demand titles with no additional charge). These items can only be checked out from and returned to the owning jurisdiction; they are not holdable throughout Black Gold.

Book Club Kits are holdable and are reserved on the PAC. Library branches adding or removing kits should notify the Black Gold System Cataloger so that book club specific fields and supplemental materials may be added to the record. Library should indicate if they will provide supplementary materials or if Black Gold staff should locate generic discussion questions.

NON-CIRCULATING MATERIALS INCLUDING REFERENCE, SPECIAL COLLECTIONS AND MICROFORMS

The loan of reference and special collections items is subject to the lending library's consent, based on considerations such as demand, rarity, and the condition of the requested material. The loan period is determined by the lending library. It is assumed that the items are restricted to use within the receiving library unless special permission to circulation has been granted separately.

HOLDS

HOLD LIMITS

Effective July 1, 2014, the Administrative Council approved a limit of 10 holds at a time. Patrons will receive a block message if they attempt to place more than that. As of November 2016, only one hotspot may be placed on hold. For the following patron types the hold limit per account is:
Institution = 99, Library = 30, Elementary = 5.

Held items will be on the hold shelf for 7 days.

Effective May 2016, the Administrative Council approved holds placement over the PAC for 'Book Club Kits'. Patrons may place a hold on another jurisdiction's book club kit and pick it up at a library of their choice. Library of Things holds are determined at the jurisdictional level but should not exceed the maximum hold limit of 10.

HOLDABLE/NONHOLDABLE PARITY

On July 27, 2012, the Administrative Council approved a change to the holdable/nonholdable parity policy: within each jurisdiction, the threshold will be parity between holdable and non-holdable (rental and express) copies.

HOLDS (ILL)

Each library participating in reciprocal borrowing within the Black Gold system agrees to process holds in a timely manner by exercising the hold mechanism in the automated circulation system at least every open day.

UNCLAIMED HOLD ITEMS

Unclaimed report should be run every day in order to transfer items to the next patron. If an item has a status of "Unclaimed" but is not found, wait for 1 month from the unclaimed date and contact the owning library for a shelf check. If it is not located, the item's status should be changed to "Missing" by the owning library.

RENEWAL LIMITS

On January 27, 2012, the Administrative Council iterated that regardless of fines, patrons should be allowed to renew items.

By common agreement, items may only be renewed according to the owning library's policies. All member libraries allow renewals on most materials except items on hold.

On March 1, 2018, Administrative Council approved increasing the renewal limit to 5 renewals on eligible items.

PAPERBACK

The definitions and descriptions of “Paperbacks” vary widely, as do the policies concerning them. Variation not only occurs between library jurisdictions, but sometimes between branches within a jurisdiction. The breadth of the variation makes it difficult to be sure that what one library means by “Paperback” is precisely what any other library means by “Paperback.”

OVERRIDING DUE DATES FOR STAFF/OTHERS

Library staff members are held to the same loan rules as all other patrons. Library staff may not use the Renewal Override, Set Due Date, or any other Polaris function to extend due dates for items checked out to self, other staff members, or the general public without noted approval by a supervisor. Black Gold will periodically run reports listing occurrences of these actions and send to library directors. Changing a due date inappropriately may result in disciplinary action.

EXCEPTIONS TO OVERRIDES

It is permissible for library staff to override the hold queue only in these two instances:

1. Patron has found the item in the stacks and presents it for checkout.
2. The item is damaged or has missing parts.

Staff should be sure to reactivate the hold request so that the patron remains at the top of the holds queue.

MAXIMUM NUMBER OF EACH MATERIAL TYPE ALLOWED OUT PER PATRON

There is no common practice concerning maximum numbers of items allowed to be checked out. Current maximum limits are listed on the following table. When there is a slash between numbers (i.e., 2/6) the first number refers to the daily limit, the second to the total limit.

CHECK-IN

UNIFORM CHECK-IN PROCEDURES

Black Gold libraries will check-in all types of materials including books and AV (audio visual) that are returned to their library regardless of which Black Gold library owns the item. Library of Things (LOT) items should be checked in and returned at the owning library. If a LOT item is returned to a non-owning library, it should be checked in and placed in transit/sent back to the owning library immediately after check in.

Patrons who happen to see another Black Gold library's item that has been returned to the counter and wants to check it out, may do so if there are no holds on the item. The exception to this is items that are a part of a 'LOT' collection. LOT items may not be immediately checked out upon return. However, returned items that belong to another Black Gold library should not be made browsable for the public, but returned expediently via delivery to the owning library.

RFID

RFID tagged items from a different jurisdiction with incorrect information/blank tags can be programmed by the receiving library or the item may be sent back to the owning library.

IN TRANSIT

Black Gold will run a quarterly In-Transit report for items which have had that status for 1 month or longer. The report will be available through the ILS toolbar under custom reports for each jurisdiction. Each library should search its shelves within 2 weeks of receipt of the report and change item status accordingly. Items In-Transit to another library from the owning library should be checked first; then items In-Transit from libraries other than the owning library should be searched.

LOST MATERIALS

On September 24, 2004, at the recommendation of the ATS Operations Committee, the Administrative Council agreed to end the requirement that libraries reconcile payments between libraries for damaged and lost items. It was thought that the administrative costs of keeping and tracking the information cancelled out the amounts collected.

It had been a past practice of Black Gold member libraries to collect money for damaged and lost items on behalf of other jurisdictions and to keep a record of those charges. Twice a year these would be reconciled, and payment returned to the owning library.

REFUNDS FOR LOST AND PAID ITEMS

Refund practices vary by jurisdiction. Patrons must apply for a refund (if applicable) at a library within the jurisdiction where the charges for the lost item were paid.

| Jurisdiction | Refund Given and Timeframe |
|--------------|---|
| PR | Yes, within 3 months of payment for the lost item |
| SLO | Yes, within 3 months of payment for the lost item |
| GO | No refunds |
| SM | No refunds |
| LM | Yes within 3 months of payment for the lost item |
| SB | No refunds |
| SP | ? |

WAIVING FEES FOR LOST OR DAMAGED ITEMS

When an item has had charges for damages or loss placed on it by a jurisdiction, staff at another jurisdiction will not remove or waive fees that have an existing item attached to the patron account without first consulting supervisory staff at the owning library. An exception to this is made for juvenile/teen patron types aging up to an adult patron for “deleted” item charges only. In this case, charges associated with a “deleted” item in the juvenile/teen account would be removed prior to the change in patron type, or if the patron in the juvenile or teen patron category is to be deleted from Polaris.

HOTSPOT: SUSPEND/ACTIVATE

On 5/21/21 Admin Council voted to no longer share hotspots amongst jurisdictions (holds to patrons outside the owning jurisdiction are not allowed) effective July 1, 2021.

Black Gold manages Hotspots for circulation to patrons (T-Mobile is the vendor utilized). When a hotspot is not returned on time, service on that Hotspot should be suspended so the monthly service payment is stopped. It will be up to each library's discretion about how soon they want to suspend service for an overdue or missing device. Call or send an email to BG with device ID and request suspension. A suspension through T-Mobile is good for 90 days after which it automatically reactivates. Prior to the 90-day auto-renewal, the library will have to inform BG to either cancel the device or extend the suspension. If a device is cancelled, the library may request a replacement device be ordered. Replacements should be ordered as soon as the device is determined to be lost. Do not wait; Black Gold prefers individual requests rather than batch cancellation requests.

To reactivate service on a device that has been suspended, call or send an email to BG with device ID and request re-activation. BG will notify library once item is re-activated.

LIBRARY MANAGED HOTSPOTS

Occasionally, libraries will purchase Hotspots outside of the contract Black Gold has with T-Mobile. These devices are generally paired with a laptop/Chromebook, used only by staff or for other specific uses. Black Gold staff cannot provide technical assistance for these hotspots. Individual jurisdictions will need to contact the carrier directly for technical support, to temporarily suspend devices, or any other issues that may arise.

These Hotspots owned by the libraries should be labeled in a manner that identifies to Cooperative members the individual jurisdiction's ownership. The SIM card unique ID needs to be noted in the item record as does the device name. The device name should not match the name of devices owned by BG and it should indicate the jurisdiction. Labeling must:

- Be different than what BG uses
- Not use BG in the identification label
- Use a unique name that cannot be confused with other jurisdictions (ex: not hotspot 1)

For example:

SMPL001 (Santa Maria Public Library)

Libraries are encouraged to keep a spreadsheet of pertinent information to help with hotspot troubleshooting. Example tracking spreadsheet:

| PW - ORIG | IMEI Number | PHONE | SIM Number | BG WIFI | BG WIFI PW | STATUS |
|-----------|-------------|-------|------------|---------|------------|--------|
|-----------|-------------|-------|------------|---------|------------|--------|

| NUMBER | | | | SSID | | |
|----------|-----------------|--------------|---------------------|--------|----------------|--------|

BG has made the technical assistance ‘tips’ that our staff use to troubleshoot T-Mobile devices available on the ATS website.
 If devices other than T-Mobile are purchased ATS does not have any technical support guidelines.

CLAIMS

CLAIM RETURNED

Claim Returned in Polaris does NOT move to Lost automatically. The item goes to Lost status in Polaris ONLY after going through the entire notice cycle in a patron's account. Once library staff move an item into claim status (claim returned or claim never had) for a patron, the process becomes manual.

Staff must manually check in that item, which severs the link to the patron's account. Staff must then move the item to "missing" status manually by opening the item record and changing the status from "on-shelf" to "missing."

| | |
|--|--|
| All libraries allow patrons to claim that library materials currently out on their cards have been returned. Below are specific library policies for Claim Returned: | |
| SP | Patrons do not lose borrowing privileges due to the number of their Claim Returned items. Items are Claim Returned at staff discretion. |
| LM | Patrons are allowed 3 Claim Returned that do not go to lost. These are items owned by Lompoc's system. They do not lose borrowing privileges. |
| PR | Patrons may lose borrowing privileges due to the number of their Claim Returned items. Items are Claim Returned at the staff's discretion. |
| SLO | Patrons lose their borrowing privileges when they have 5 current Claim Returned items. Non-system ILL items may not be Claim Returned. |

TYPICAL NOTICE AND BILLING CYCLE – POLARIS

| | |
|--|--|
| 3 Days after due date | First Overdue Notice “These items(s) are OVERDUE. Please return them to avoid increasing fines.” |
| 10 Days after due date | Second Overdue Notice “The following item(s) are OVERDUE. Please return them as soon as possible to avoid increasing fines.” |
| 17 Days after due date | Third Overdue Notice “FINAL NOTICE to return item(s) listed. If not returned you will be billed replacement cost. Contact YOUR LOCAL LIBRARY if you have questions.” |
| 30 Days after due date | Replacement Bill “The following item(s) have been charged as lost. It is possible you may owe additional money for other items on your account.” When Polaris sends the bill the item is changed to ‘lost’ on the patron account. |
| Overdue and Bill Notices are sent using the 'lending library' address. Fine notices are sent using the patron's registered library. | |

Email, print, text and telephone notifications are sent daily (phone notices are not sent on Sundays).

If the telephone call attempts fail on overdue/hold notices (5 attempts made – 3 per cycle), then the notice goes to paper.

These attempts begin on the days noted in this cycle. If they fail, it can delay the receipt of the notification.

- Phone notices are sent:
 9:30 am – 6:00 pm, 7:00 pm – 8:00 pm Monday-Friday (2 cycles)
 10 am – 6:00 pm Saturday (1 cycle)
- Fee notices and Bills are sent by printed notice only.
- Almost overdue notices are sent by email only.
- Text notices occur twice per day: 7:30 am, 4:30 pm

Encourage patrons to use email, phone or text notifications methods!

COLLECTION CYCLE – POLARIS

The patron account goes to Unique when \$40 in fines/fees have accumulated and the fines/fees have ‘aged’ 30 days (see Fine aging). Submission to collections is based on the item’s owning branch.

- Fine aging example: If the min balance is \$25 and the patron had \$20 in existing charges on the account and \$5 additional charges were added 30 days ago then that account would now be eligible to be sent to collections. If the same patron made a \$1 payment on the account toward either of the charges on day 29 of the \$5 charge then the account would not be eligible to go to collection on day 30 since they are only at \$24, even though all the existing charges are old enough. The patron would then need an additional \$1 or more added to the account for at least 30 days before the account is sent.

| | |
|--|---|
| Unique Submission | \$40 in fines/fees aged 30 days on patron account. \$10 collection agency fees will be applied to patron account. |
| Unique Management Services letters | 1st Letter sent immediately upon receiving collections report from Black Gold (reports are now sent daily). |
| | 2nd Letter sent 3 weeks after 1 st letter. |
| | Reminder Letter sent if patron has responded and there is a balance remaining. |
| Unique Management Services telephone call(s) | If patron has remaining balance 14 days after last letter, UMS will begin calling person. |
